Enduring Material - The ACCME recognizes this educational activity as an enduring material. The estimated time for completion of this enduring material is 60 minutes. This presentation was released on November 1, 2019. The expiration date of this enduring material is October 31, 2022.

The ANCC recognizes this educational activity as an enduring material. The estimated time for completion of this enduring material is 60 minutes. This presentation was released on November 1, 2019. The expiration date of this enduring material is October 31, 2022.

Target Audience - This presentation is intended for physicians, advanced practice providers, and other clinicians who treat neonates.

Purpose/Gap – Many clinicians have questions surrounding management of the infant with short bowel syndrome. Key factors that determine the prognosis of infants with short bowel syndrome will be addressed as well as core strategies used to manage short bowel syndrome. Clinicians will appreciate the potential complications of short bowel syndrome and the indications for referral for intestinal transplantation.

CME- ACGME/ABMS Competencies addressed in this educational activity include patient care and procedural skills, and medical knowledge.

CNE- IOM Competencies addressed in this educational activity include: Provide patient-centered care and Employ evidence-based practice.

Desired Learning Outcome - Clinicians will implement at least one strategy or change in practice to improve the care and outcomes in these neonatal patients.

Disclosures of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous continuing education activities. All individuals in a position to influence and/or control the content of continuing education activities have been asked to disclose all relevant financial relationships within the past 12 months. Any real or apparent conflicts of interest related to the content of the faculty's presentation have been resolved as have any real or apparent conflicts of interest by the planners as related to the content of this conference. MEDNAX/CREQS is committed to providing learners with commercially unbiased continuing education activities.
