

Amniotic Fluid Embolism Webinar

Internet Live Activity

Date: 10/27/2021

Time: 12:00 – 1:00 PM Mountain Time

Location: Live Webinar (hosted via GoToWebinar)

Accreditation

The Mednax Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Mednax Center for Research, Education, Quality and Safety designates this Internet Live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Mednax Center for Research, Education, Quality and Safety is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The Mednax Center for Research, Education, Quality and Safety designates this Internet Live activity for a maximum of 1.00 *nursing contact hour(s)*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Mitigation of Relevant Financial Relationships

The Mednax Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible entities (commercial interests) within the 24 months prior to their involvement with the CE activity. All relevant conflicts of interest have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Financial Relationships

The planners, moderators or speakers of this activity have the following financial relationship(s) with ineligible companies to disclose:

Gary A. Dildy, MD:

Nature of Financial Relationship	Company
Royalties or Patent Beneficiary	Clinical Innovations

FDA Disclosures: none reported.

Nicole Brenson, MS.Ed: I have no financial relationships to report.

Vicki Leamy, DNP, APRN, NNP-BC: I have no financial relationships to report.

Commercial Support

There is no commercial support for this educational activity.

Overview

Amniotic Fluid Embolism (AFE) remains poorly understood contributing to insufficient preparation for acute emergencies by the obstetrical team. This presentation will address the diagnosis, management and the most appropriate supportive therapies for the treatment of Amniotic Fluid Embolism.

Objectives

At the conclusion of this activity, the participant will be able to:

1. Describe the current theories of AFE pathophysiology.
2. Identify the most appropriate supportive therapies for AFE.
3. Discuss the biases and limitations in the published literature on the reported incidence and maternal mortality rate of AFE.
4. Illustrate the benefits of education, protocols & simulation for acute obstetrical emergencies such as AFE.

ACGME/ABMS Competencies

- Patient Care and Procedural Skills
- Medical Knowledge
- Interpersonal and Communication Skills
- Practice-based Learning and Improvement

IOM Competencies

- Work in interdisciplinary teams
- Employ evidence-based practice
- Apply quality improvement

Evaluation, Attendance and Credit

Within <https://mednax.cloud-cme.com>, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. You will have the option to email the certificate of attendance to your mailbox.
