

New Approaches to the Management of Infants with Congenital Heart Disease Webinar

Internet Live Activity

Date: 10/06/2021

Time: 4:00 – 5:00 PM Eastern time

Location: Live Webinar (hosted via GoToWebinar)

Accreditation

The Mednax Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Mednax Center for Research, Education, Quality and Safety designates this Internet Live activity for a maximum of 1.00 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Mednax Center for Research, Education, Quality and Safety is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The Mednax Center for Research, Education, Quality and Safety designates this Internet Live activity for a maximum of 1.00 *nursing contact hour(s)*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Mitigation of Relevant Financial Relationships

The Mednax Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible entities (commercial interests) within the 24 months prior to their involvement with the CE activity. All relevant conflicts of interest have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Financial Relationships

The planners, moderators or speakers of this activity have the following financial relationship(s) with ineligible companies to disclose:

Charles D. Fraser, Jr, MD: I have no financial relationships to report. *FDA disclosure: none reported.*

Timothy Biela, MD: I have no financial relationships to report.

Nicole Brenson, MS.Ed: I have no financial relationships to report.

Vicki Leamy, DNP, APRN, NNP-BC: I have no financial relationships to report.

Commercial Support

There is no commercial support for this educational activity.

Overview

Cardiac care for children is a highly specialized field. This presentation will address the evolution and expectations of neonatal cardiac surgery and the benefits of a multidisciplinary team dedicated to the management of Congenital Heart Disease (CHD).

Objectives

ACCME Objectives & ANCC Learning Outcomes

At the conclusion of this activity, the participant will be able to:

1. Discuss the neurodevelopmental risks in babies with congenital heart disease.
2. Identify the expected clinical outcomes of newborns with critical congenital heart disease.
3. Describe multidisciplinary management opportunities through the use of a dedicated pediatric heart team.

ACGME/ABMS Competencies

- Patient Care and Procedural Skills
- Medical Knowledge
- Interpersonal & Communication Skills
- Systems-based Practice

IOM Competencies

- Provide patient-centered care
- Work in interdisciplinary teams
- Employ evidence-based practice
- Apply quality improvement
