

## Addressing Comorbidities Through Implementation of an Exclusive Human Milk Diet (EHMD) Webinar

### **Internet Live Activity**

**Date:** 12/01/2021

**Time:** 04:00 – 05:00 p.m. Eastern

**Location:** Live Webinar (hosted via GoToWebinar)

### **Accreditation**

The Mednax Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Mednax Center for Research, Education, Quality and Safety designates this Internet Live activity for a maximum of 1.00 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Mednax Center for Research, Education, Quality and Safety is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Mednax Center for Research, Education, Quality and Safety designates this Internet Live activity for a maximum of 1.00 *nursing contact hour(s)*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

### **Mitigation of Relevant Financial Relationships**

The Mednax Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies within the 24 months prior to their involvement with the CE activity. All relevant financial relationships have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

### **Disclosure of Relevant Financial Relationships**

**Dr. Jenelle Ferry**, faculty for this educational event, is on the speakers' bureau for Abbott Laboratories and a Consultant & on the speakers' bureau for Prolacta Bioscience. *All of the relevant financial relationships listed have been mitigated. FDA disclosure(s):* none reported.

**Dr. Tim Biela, Vicki Leamy and Nicole Brenson**, planners for this educational activity, have no relevant financial relationship(s) with ineligible companies to disclose.

### **Commercial Support**

This educational activity is supported, in part, by an educational grant from Prolacta Bioscience.

### **Overview**

During this presentation, Dr. Jenelle Ferry will discuss the evidence supporting the use of an exclusive human milk diet (EHMD) to improve growth and outcomes in extremely low birth weight (ELBW) infants.

### **Objectives**

*At the conclusion of this activity, the participant will be able to:*

1. Understand the research supporting the role of human milk in mitigating the morbidities of prematurity.
2. Discuss options for the provision of human milk caloric fortifier to improve growth and outcomes.

### ABMS/ACGME Competencies

- Patient Care & Procedural Skills
- Medical Knowledge
- Practice-based Learning and Improvement

### IOM Competencies

- Provide patient-centered care
- Employ evidence-based practice
- Apply Quality Improvement

### **Evaluation, Attendance and Credit**

Within <https://mednax.cloud-cme.com>, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. You will have the option to email the certificate of attendance to your mailbox.
