

Emergency Radiology 2019: What You Need to Know to Get You Through the Night

Date: 11/6/2019 – 11/9/2019

Location: Boca Raton, FL

Topic: Acutely ill adults and pediatric patients are arriving at the emergency room in greater numbers than ever before. This symposium is designed to help radiologists and emergency radiologists maintain optimal competence in the utilization of the most reliable imaging modalities and best-practice strategies, even for unusual conditions. This course will be of special interest to physicians in the fields of radiology, emergency radiology and emergency medicine.

Accreditation:

The MEDNAX Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The MEDNAX Center for Research, Education, Quality and Safety designates this Live Activity for a maximum of 18.25 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclosure of Financial Relationships:

Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous continuing education activities. All individuals in a position to influence and/or control the content of continuing education activities have been asked to disclose all relevant financial relationships within the past 12 months. Any real or apparent conflicts of interest related to the content of the faculty's presentation have been resolved as have any real or apparent conflicts of interest by the planners as related to the content of this conference. Beyond disclosure of relevant financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical. The MEDNAX Center for Research, Education, Quality and Safety is committed to providing learners with commercially unbiased continuing education activities.

The planners, moderators and speakers of this activity have the following financial relationship(s) with commercial interests to disclose:

Kevin Abrams, MD Disclosure(s) - Consulting Fee-Keystone Heart

Juan Batlle, MD Disclosure(s) - Speakers Bureau-Boehringer Ingelheim Vetmedica GmbH

Ricardo C Cury, MD Disclosure(s) - Consulting Fees - GE Healthcare Bio-Sciences, Cleerly Inc, Covera Health

Hilja Dodd Sousa Conceicao, CHCP, CPHQ - I/we have no financial relationships to report.

Elliot Fishman, MD Disclosure(s) - grant support to Hopkins-Siemens AG, Hopkins-GE Healthcare Bio-Sciences, Ownership Interest-HipGraphics

Susan John, MD Disclosure(s) - I/we have no financial relationships to report.

Christopher Maroules, MD, FSCCT Disclosure(s) - I/we have no financial relationships to report.

Constantino Pena, MD Disclosure(s) - Consulting Fee-Philips Medical Systems, Inc., Boston Scientific Corporation, Speakers Bureau-Cook Group Incorporated

Myer Roszler, MD Disclosure(s) - I/we have no financial relationships to report.

Leslie Scutt, MD Disclosure(s) - Honoraria for providing CME courses-Philips Medical Systems, Inc.

Frederico Souza, MD Disclosure(s) - I/we have no financial relationships to report.

Ben Strong, MD Disclosure(s) - I/we have no financial relationships to report.

Commercial Support:

There is no commercial support for this educational activity.

Purpose or Objectives: At the conclusion of this activity, the participant will be able to:

Objectives

1. Identify acute CT and MRI findings on patients with acute stroke, and non traumatic spine and ENT injuries
2. Recognize Emergency complications in Oncology treatments
3. View MRI for Abdominal Emergencies
4. Recognize the most common presentations to the ED by pediatric patients
5. Diagnose Child Abuse
6. Discuss pitfalls and errors in Body CT
7. View CT to evaluate the acute abdomen
8. View CTA in a patient with Abdominal bleeding
9. View Ultrasound of the pelvis in Gyne and OB patients
10. Diagnose vascular Emergencies with Doppler Ultrasound
11. Evaluate Pulmonary Embolism and Aortic Syndromes
12. Discuss Cardiac CTA indications and protocols

Learning Outcomes:

Participants will implement at least one learned strategy or technique to improve identification in various imaging modalities.

Evaluation, Attendance and Credit:

Within <https://mednax.cloud-cme.com>, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. You will have the option to email the certificate of attendance to your mailbox.
