

New Approaches to the Management of Infants with Congenital Heart Disease

Internet Enduring Material

Release Date: 10/08/2021

Expiration Date for Credit: 10/07/2024

Content was originally presented as part of the Mednax Neonatology Grand Rounds series on October 6, 2021.

Accreditation

The Mednax Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Mednax Center for Research, Education, Quality and Safety designates this Internet Enduring Material for a maximum of 1.00 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Mednax Center for Research, Education, Quality and Safety is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. (#PO258)

The Mednax Center for Research, Education, Quality and Safety designates this Internet Enduring Material for a maximum of 1.00 *nursing contact hour(s)*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Time to Complete

The estimated time for completion of this Internet Enduring Material is 60 minutes.

Target Audience

This presentation is intended for physicians, advanced practice providers, and other clinicians practicing within the Neonatology specialty.

Mitigation of Relevant Financial Relationships

The Mednax Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible entities (commercial interests) within the 24 months prior to their involvement with the CE activity. All relevant conflicts of interest have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Financial Relationships

The planners, moderators or speakers of this activity have the following financial relationship(s) with ineligible companies to disclose:

Charles D. Fraser, Jr, MD: I have no financial relationships to report. *FDA disclosure: none reported.*

Timothy Biela, MD: I have no financial relationships to report.

Nicole Brenson, MS.Ed: I have no financial relationships to report.

Vicki Leamy, DNP, APRN, NNP-BC: I have no financial relationships to report.

Commercial Support

There is no commercial support for this educational activity.

Overview

Cardiac care for children is a highly specialized field. This presentation will address the evolution and expectations of neonatal cardiac surgery and the benefits of a multidisciplinary team dedicated to the management of Congenital Heart Disease (CHD).

Objectives

ACCME Objectives & ANCC Learning Outcomes

At the conclusion of this activity, the participant will be able to:

1. Discuss the neurodevelopmental risks in babies with congenital heart disease.
2. Identify the expected clinical outcomes of newborns with critical congenital heart disease.
3. Describe multidisciplinary management opportunities through the use of a dedicated pediatric heart team.

ACGME/ABMS Competencies

- Patient Care and Procedural Skills
- Medical Knowledge
- Interpersonal & Communication Skills
- Systems-based Practice

IOM Competencies

- Provide patient-centered care
- Work in interdisciplinary teams
- Employ evidence-based practice
- Apply quality improvement

Participation and Credit

Participants are expected to review all content in the video, access reference materials as needed for additional self-directed learning, take and score 75% or greater correct on the post test, and complete the evaluation in order to earn *AMA PRA Category 1 Credit(s)*[™] or *nursing contact hour(s)*.

There are no fees for participating in or receiving credit for this online educational activity. For information on applicability and acceptance of credit for this activity, please consult your professional licensing board.
