

Trauma and Preterm Birth

Internet Enduring Material

Release Date: 5/4/2020

Expiration Date for Credit: 5/3/2022

Content was originally presented in the OB Challenges Conference on May 18, 2019.

Accreditation:

The MEDNAX Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The MEDNAX Center for Research, Education, Quality and Safety designates this Internet Enduring Material for a maximum of 0.75 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The MEDNAX Center for Research, Education, Quality and Safety is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. (#PO258)

The MEDNAX Center for Research, Education, Quality and Safety designates this Internet Enduring Material for a maximum of 0.75 *nursing contact hour(s)*. Participants should only claim credit commensurate with the extent of their participation in the activity.

Internet Enduring Material:

The ACCME recognizes this educational activity as an enduring material. The estimated time for completion of this internet enduring material is 45 minutes. This presentation was released on May 4, 2020. The expiration date of this enduring material is May 3, 2022.

The ANCC recognizes this educational activity as an enduring material. The estimated time for completion of this internet enduring material is 45 minutes. This presentation was released on May 4, 2020. The expiration date of this enduring material is May 3, 2022.

Target Audience:

This presentation is intended for physicians, advanced practice providers, and other clinicians.

Disclosure of Financial Relationships:

Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous continuing education activities. All individuals in a position to influence and/or control the content of continuing education activities have been asked to disclose all relevant financial relationships within the past 12 months. Any real or apparent conflicts of interest related to the content of the faculty's presentation have been resolved as have any real or apparent conflicts of interest by the planners as related to the content of this conference. Beyond disclosure of relevant financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical. The MEDNAX Center for Research, Education, Quality and Safety is committed to providing learners with commercially unbiased continuing education activities.

The planner(s), moderator(s), reviewer(s), or faculty of this activity have the following financial relationship(s) with commercial interest(s) to disclose:

Torre Halscott, MD Disclosure(s) - I/we have no financial relationships to report. *FDA: No disclosures stated.*

Nicole Brenson, MEd Disclosure(s) - I/we have no financial relationships to report.

Hilja Dodd Sousa Conceicao, CHCP, CPHQ Disclosure(s) - I/we have no financial relationships to report.

Kassandra S Greci, DNP, APRN, WHNP-BC Disclosure(s) - I/we have no financial relationships to report.

Commercial Support:

There is no commercial support for this educational activity.

Purpose:

Improve familiarity on the common causes of trauma and preterm birth within pregnancy, as well as the role of emergency medical services and transportation for such cases.

Objectives: At the conclusion of this activity, the participant will be able to:

ACCME Objectives

1. Identify the overall impact of trauma on the healthcare system secondary to the frequency and types of trauma that most commonly occur in pregnancy.
2. Describe the intrinsic as well as iatrogenic risks for preterm birth with trauma in pregnancy.

CME – ACGME/ABMS Competencies

1. Patient Care and Procedural Skills
2. Systems-Based Practice

ANCC Learning Outcomes

1. Identify the overall impact of trauma on the healthcare system secondary to the frequency and types of trauma that most commonly occur in pregnancy.
2. Describe the intrinsic as well as iatrogenic risks for preterm birth with trauma in pregnancy.

ANCC – IOM Competencies

1. Employ evidence-based practice

Participation and Credit:

Participants are expected to review all content in the video, access reference materials as needed for additional self-directed learning, take and score 70% or greater correct on the post test, and complete the evaluation in order to earn *AMA PRA Category 1 Credit(s)*[™], or nursing contact hour(s).

There are no fees for participating in or receiving credit for this online educational activity. For information on applicability and acceptance of credit for this activity, please consult your professional licensing board.
