

Introduction to Simulation Workshop

Topic: Medical simulation has been shown to be a valuable tool to prepare clinical teams for critical events. Rapid growth in the role of medical simulation and an increasing demand from hospital partners to provide this type of training as a value added service encourages practices to start their own programs. Practicing clinicians expressing the desire to lead these events need formal education and practical experience in order to set realistic objectives, conduct the scenarios efficiently, and measure the results. This educational activity provides a broad based introduction to the skill set needed to perform these tasks.

Date: 9/19/2019 – 9/20/19

Location: Falls Church, VA

Accreditation:

The MEDNAX Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The MEDNAX Center for Research, Education, Quality and Safety designates this Live Activity for a maximum of 12.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The MEDNAX Center for Research, Education, Quality and Safety is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. (#PO258)

The MEDNAX Center for Research, Education, Quality and Safety designates this Live Activity for a maximum of 12.75 nursing contact hour(s). Participants should only claim credit commensurate with the extent of their participation in the activity.

Disclosure of Financial Relationships:

Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous continuing education activities. All individuals in a position to influence and/or control the content of continuing education activities have been asked to disclose all relevant financial relationships within the past 12 months. Any real or apparent conflicts of interest related to the content of the faculty's presentation have been resolved as have any real or apparent conflicts of interest by the planners as related to the content of this conference. Beyond disclosure of relevant financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical. The MEDNAX Center for Research, Education, Quality and Safety is committed to providing learners with commercially unbiased continuing education activities.

The planners, moderators or speakers of this activity have the following financial relationship(s) with commercial interests to disclose:

Hilja Dodd Sousa Conceicao, CHCP, CPHQ Disclosure(s) - I/we have no financial relationships to report.

Julie Dyer, NNP Disclosure(s) - I/we have no financial relationships to report.

William Enfinger Disclosure(s) - I/we have no financial relationships to report.

Diana Galvis, MBA Disclosure(s) - I/we have no financial relationships to report.

Gillian Gonzaba, NNP Disclosure(s) - I/we have no financial relationships to report.

Kassandra S Greci, DNP, APRN, WHNP-BC Disclosure(s) - I/we have no financial relationships to report.

Jaclyn LeVan, DO Disclosure(s) - I/we have no financial relationships to report.

Commercial Support:

There is no commercial support provided for this educational activity.

ACGME/ABMS:

Competencies addressed in this activity include interpersonal and communication skills.

Purpose or Objectives: At the conclusion of this activity, the participant will be able to:

ACCME Objectives

1. Describe best practices for simulation design, creating objectives, conducting events, debriefing and measurement.
2. Increase confidence level for conducting simulation events at the learner's local facility.

ANCC Learning Outcomes

1. Describe best practices for simulation design, creating objectives, conducting events, debriefing and measurement.
2. Increase confidence level for conducting simulation events at the learner's local facility.

Evaluation, Attendance and Credit:

Within <https://mednax.cloud-cme.com>, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. You will have the option to email the certificate of attendance to your mailbox.
